MAKE YOUR DREAMS COME TRUE

PREFACE

We will attempt to show here how your dreams (that's your daydreams, not the weird night-time ones) your deepest innermost desires, can be fulfilled in your life.

We can all read about famous people, rich people, sports stars etc who seem to have achieved the sort of answers we are looking for in our own lives.

So are there recipes and schemes to bring into being the realised desires of these fortunate beings? It's quite obvious that there are certain rules, ways, states of mind etc which can carry the purpose out. So, the answer is 'Yes' and we will attempt to show the best answers from the very highest founts of all knowledge.

However, be warned, there are traps and pitfalls - not all of these famous or rich people are necessarily happy with their answered dreams. Many of them are sad and unhappy, often shown to be depressed, sometimes to the point of suicide.

Maybe consider the illegal immigrant risking his life and limb journeying for months to arrive in a European country, only to end up a beggar on the streets - which are not paved with gold after all, but that's how they dreamed it when they started.

Here we will demonstrate that there is a good, achievable way which is not at all disastrous, but it means doing it the Creator's way, not using our own selfish ideas.

The Creator, who made you, knows how to motivate you, how to take you in the correct direction, how to develop the very best in you. It's actually all there in His book, His instruction manual, and what we will do is show you how to find all the benefits from that book.

It's so easy to show how the God-inspired scriptures can give anyone an amazing fulfilled life, not a life of worry and care, but one of joy, love and peace.

I hear you say "Oh, this is a God book!" Well, please take the trouble to read on because one of the promises is that you will be able to have and achieve "more than you can ask or even think". Ephesians chapter 3 v 20 says **NOW TO HIM WHO IS ABLE TO DO EXCEEDINGLY ABUNDANTLY ABOVE ALL THAT WE ASK OR THINK ACCORDING TO THE POWER THAT WORKS IN US.** Don't even try to get your mind around that one, because you can't even think it.

God will even be the inspiration for your dreams that are going to come true for you.

Now I hear you say "Frank, you're going too far out on a limb, into the realms of fantasy". Not so - this is so big, so vast, and nobody could possibly exaggerate the possibilities. It's entirely up to you - you can have as much as you're willing to believe for.

DREAMS ARE IMPORTANT

Everyone knows the song “Yesterday” by the Beatles because it is one of their most played songs. The chords were given to Paul McCartney in a dream.

Dmitri Mendeleev dreamed of organising the elements into one table, thus the periodic table was born.

The theory of relativity was dreamed by Einstein, dreaming of a sledge going downhill and reaching the speed of light.

The first sci-fi movie was a nightmare that Mary Shelley had and from it we got Frankenstein.

Elias Howe invented the sewing machine from a dream he had.

The man who dreamed 9 racehorse winners was John Godley and he became the racing correspondent for the Daily Mirror.

Although we are looking at sleeping dreamers here, it does ask the question as to just how much of the subconscious mind is able to tap into the realms of the supernatural or into the realms of the future.

However, if we go God’s way into the supernatural, how much more fulfilling in every way that would be - how much is waiting there for God’s children to dream into reality.

CHAPTER 1

HOW THE SUCCESSFUL DO IT

Almost all those who have had their dream-life come true, even though they've not done it God's way, will admit to a certain amount of 'luck' in getting the good breaks. Many of those I have talked to are well aware that God's hand must have been on them. One successful business man asked me why his business was so brilliant when it wasn't happening to his competitors.

Many of those blessed in this way are extremely generous, because of their awareness of God's hand on their business. One of my friends paid £6,000 for a signed football at a charity occasion and then he threw it back to be auctioned again. This same man paid £7,200 to save a lady from having her home repossessed.

Then, on the other hand, we see sad broken lives - Hurricane Higgins, George Best, Howard Hughes, etc. In order to get a handle on this, I read books about these people. The Hurricane Higgins story was probably one of the most sad I've ever read.

Then there was another millionaire who heard God say to him "I want you" and the man replied "I'm sorry God, I just can't do it".

All the money in the world is dross compared with knowing God and having Him as Daddy.

We absolutely have to get money, fame and power into their right perspectives because if we don't, they can cause unimaginable trouble or even death. Jesus described the desire for money as the 'deceitfulness of riches'.

Whenever I ask someone in the street what they would like to have from God, the usual reply is "A million pounds". A girl in Leicester Square said that to me and when I asked why she wanted a million pounds she said "My mother is dying of cancer and I want to take

her on a world cruise before she dies." I told her she did not need a million pounds, she needed a cure for cancer. We offered her a prayer for the healing of cancer and she refused it.

Noel Coward said that there are two main disappointments in life: one is not having your dreams come true - and the other one is having them come true. In other words even having your dreams come true won't necessarily make you happy.

George Harrison of the Beatles fame once said "a hundred pounds earned is a hundred pounds of trouble". So he knew from first hand experience.

Charles Clore, the richest man in the world at one time, was asked if he had got enough money yet: he thought for a moment and then said "No, I need a bit more". The millions he had were not quite enough!!

It clearly states in God's word in Genesis 11 v 6 NOTHING THEY HAVE IMAGINED THEY CAN DO WILL BE IMPOSSIBLE FOR THEM. Who is this referring to? Anyone who is willing to dream the dream; anyone willing to put their mind to imagining what they would like.

These are not necessarily people of God, it's just anyone at all. But we have already shown that doing it without God can be dangerous. What we are going on to now is not doing this out of our own desires and appetites but fully trusting Daddy God to show us His desires for us.

The Bible is the most positive book you can read. Over and over again it says ASK ANYTHING IN MY NAME (JESUS) AND I WILL DO IT. If you take the trouble to start reading the word on a regular basis, you are bound to find this. In fact, in the gospel of John, it repeats ASK ANYTHING IN MY NAME AND I WILL DO IT. Chapter 14 v 14 or chapter 15 v 7 ASK AND IT WILL BE DONE FOR YOU or chapter 15 v 16 FATHER WILL GIVE YOU ANYTHING. In that portion of the word it repeats it 6 times. Maybe our Lord really wanted us to take it in and believe it.

In Matthew chapter 7 v 7 it says ASK AND IT WILL BE GIVEN YOU, SEEK AND YOU WILL FIND, KNOCK AND IT WILL BE OPENED TO YOU. Or Mark chapter 11 v 24 WHATEVER THINGS YOU ASK WHEN

YOU PRAY, BELIEVE THAT YOU RECEIVE THEM AND YOU WILL HAVE THEM. Now there's the condition - you will only have them if you believe you have been given them.

Faith is a tough road to follow, in fact, very few Christians can work up the faith, so it's got to be nigh on impossible for unbelievers - even the believers often find it a problem. But the answer is all there in the Bible.

Hebrews chapter 12 v 2 JESUS IS THE AUTHOR AND FINISHER OF OUR FAITH. So my puny human flesh faith is no good - it has to be started and finished by Jesus.

Romans chapter 12 v 3 AS GOD HAS DEALT TO EACH ONE (BELIEVER) THE MEASURE OF FAITH. So only God's faith will get the job done.

Mark chapter 11 v 22 HAVE FAITH IN GOD. An alternative translation puts it Have the faith of God.

This is just a tiny part of the super generous word our Daddy God wants to give and wants us to be able to simply receive very easily.

Then you might ask why Christians don't usually get to this amazing place. Because it has to be worked at. We are in this corrupt, negative, fallen world that functions exactly opposite to God's faith way. How do we get more faith? Romans chapter 10 v 17 FAITH COMES BY HEARING AND HEARING BY THE WORD OF GOD.

We could show much more from the place of faith but that's for you to work at to get it into your spirit. There are many teachers on faith and many books written about it - there is no shortage of help.

We are not going to dwell on this one aspect of the process to make your dreams come true - there are other parts to the equation which will fulfil your needs and aspirations.

Faith is a three-legged stool - if you take away one leg, it falls over. The 3 legs are: faith, speaking it and doing it.

CHAPTER 2

WHAT WE SPEAK

Genesis Chapter 1 v 3: THEN GOD SAID LET THERE BE LIGHT AND THERE WAS LIGHT.

How was there light? God spoke it into being. He simply spoke those words and it became so. In verse 5 God called; in verse 6 God said, and again in verses 8-10, 11 - 14, 20, 24 & 26. This is the power of the spoken word. If we are sons of Almighty God, then have we the same creative power in our words? We are shown quite plainly that we have exactly that same power. John Chapter 14 v 12: HE WHO BELIEVES IN ME THE WORKS THAT I DO HE WILL DO ALSO AND GREATER WORKS THAN THESE HE WILL DO BECAUSE I GO TO MY FATHER.

Is there any ambiguity in that? I think not. How could we put a “yes, but ...” or a “no, but” after that sentence. Why not just read it, digest it and start being the son of God that you are.

So, what’s the problem? Why aren’t we all living this Kingdom stuff, new life stuff? It’s nearly always our speech, what we say and what we think. Again, the scriptures are quite clear about our negative words. Matthew Chapter 12 v 36-37 BUT I SAY TO YOU THAT FOR EVERY IDLE WORD MEN MAY SPEAK THEY WILL GIVE ACCOUNT OF IT IN THE DAY OF JUDGMENT. FOR BY YOUR WORDS YOU WILL BE JUSTIFIED, AND BY YOUR WORDS YOU WILL BE CONDEMNED. In other words, God won’t need to judge us, our words will do that.

The devil will trap us in our words. He knows our weaknesses and he knows how to entice us into wrong confessions. The devil is not a creator but a destroyer - but he has been defeated, rendered powerless by our Lord’s victory on the cross and he is beaten by the things we say (confess). We merely have to command him to go in Jesus’ name and he has to obey. Jesus has put him under our feet and it’s up to us to keep him there.

The sword of the Spirit as described in the armour of God in Ephesians chapter 6 v 11 is not a metal sword but it is the Word of God coming out of our mouths. Ephesians chapter 6 v 17 THE SWORD OF THE SPIRIT WHICH IS THE WORD OF GOD. In Revelation chapter 19 v 15 we see our Lord Jesus with a sword coming out of His mouth. Not a metal sword but the Word of God which is sharper than any two-edged sword ever made. This sword can cut the enemy down to size, cut into his lies and curses and his evil plans.

Sadly, some Christians seem to be unaware of much of this. We even see members of the body of Christ cutting into each other with their tongues instead of dealing with the powers and principalities. (See our booklet Spiritual Warfare.)

The tongue can be such a vicious thing. We are all aware of how we can hurt or tear others down - how much better it would be to build up others with words of encouragement and love.

James chapter 3 v 6 says THE TONGUE IS A FIRE, A WORLD OF INIQUITY. THE TONGUE IS SO SET AMONG OUR MEMBERS THAT IT DEFILES THE WHOLE BODY, AND SETS ON FIRE THE COURSE OF NATURE; AND IT IS SET ON FIRE BY HELL. Verse 10: OUT OF THE SAME MOUTH PROCEED BLESSING AND CURSING. MY BRETHREN, THESE THINGS OUGHT NOT TO BE SO. (Please read all of this passage in James.)

The spoken word is so powerful - could we compare it to atom bombs? You may laugh. If you’re not convinced, go and tell the advertising men or the politicians or the witches who are cursing you that there’s no power in words. Those self-seeking people are only playing about in the shallows, manipulating (which is witchcraft) and deceiving, building their selfish dreams.

For the sons of God, let us be careful what we speak, so very careful. We can pray for something in faith and speak positively for a long time, not giving in to the enemy’s tricks - and then just one careless word can blow the whole thing apart in a moment. However, a careless word can be repented of immediately and neutralised.

It is good to remember that there are other things that may stop things from being birthed into existence by prayer. We can see again from the word why we don’t receive some things: James chapter 4 v 3: YOU ASK AND DO

NOT RECEIVE BECAUSE YOU ASK AMISS THAT YOU MAY CONSUME IT UPON YOUR LUSTS. How to avoid the traps and snares is so obvious - get fully into the will of God and get His say on it, find His heart for the time and place.

To do that, we have to wait prayerfully on Him for the answer and the leading for only He knows the creative way which is the best way. Whatever we try to do out of our own mind, our own dreams, is sin, if we leave God out.

We have to be able to hear God. We have to be able to discern His best from the Bible. We need that relationship time (prayer) to find His view of everything. There are actually Christians who don't hear God, but our Lord Jesus makes it quite plain that we should. John chapter 10 v 16 My sheep hear my voice. Jesus, our best example, certainly spent much time in prayer with His Father.

If we read about the Christians who had huge healing ministries like Smith-Wigglesworth or Katharine Hulman, if anyone made a negative statement around them, they heard it cancelled immediately in the name of Jesus. We have to guard our mouths constantly to prevent negative words being spoken. We must also spend time speaking out the creativity that produces the answer to the need of the time.

When we decide that we want something a certain way, out of our human thinking, it is small - but when we get it God's way, it's really amazing. That's always His way, bigger and better than we could ever envisage.

Last year, we prayed such a small prayer about the possibility of going to New Zealand and within a couple of days an invitation to go there arrived by email from a complete stranger. The same week £500 arrived (we never, ever ask for money). The ministry out there exceeded our greatest expectations. We couldn't have written the script because it was more than we could even ask or think. All glory to God.

We also had children pray for people's healing - and they were healed. Children don't have any problem believing it and they are too busy playing to indulge in negative thoughts or speech. This brings us nicely onto our next aspect - our thoughts.

CHAPTER 3

BATTLE OF THE MIND

Dream it, think it, imagine it constantly, without stopping.

In 1995 we were invited to go to an FGBMFI Conference in Moshi, Tanzania. There was a problem because Olive was still working as secretary to the MD of a local company and there were 5 huge reasons why she would not be able to come with me. I can't remember now what they all were but one was that she had no holiday to come and another was that she could not afford it.

I was living in a flat in Rochester at that time and I spoke it into the heavenlies that we WERE going to this Convention. Then I made a collage of African people, places, animals, etc and put it up on the wall where it was in front of my eyes. I couldn't entertain the idea of failure with the pictures in front of my face all the time. The 5 reasons just melted away and we finished up in Zanzibar after the Convention and there were lots of salvations amongst the Muslims and we made lasting friendships with other evangelical missionaries and local pastors.

That was our first outreach to Zanzibar. On one of our later trips there we had an apartment on a deserted beach so we had it all to ourselves (apart from a few dozen baby crabs). More than we could ask or think.

We saw many young Muslim men come to Christ and going back many years later found them still active Christians. It was all underpinned by Father God and that collage turned out to be in His perfect will. To God be the glory.

We often see pictures on the notice boards and walls of churches; this encourages us to get pictures into our imaginations to help us to pray for someone or people or countries. It works, why don't you try it.

But the devil will try to block your plans and he will fight you all the way. He will put tempting thoughts in your mind and he will cut across the good place you're heading for. Some spiritual warfare will soon sort him out. (Read our book "Spiritual Warfare".)

Many of us Christians pray through Chatham and Rochester High Streets a couple of times a week and have done for some years now. When I don't know what to pray I change to tongues - and we reap a good harvest. Decide what you want to dream for, maybe a face-to-face meeting with Jesus. So many people are having this experience nowadays or seeing angels. So why not find and dream the ministry Father God wants for you. For vast numbers of Christians it is totally normal to hear the voice of Jesus or Holy Spirit for every day occurrences. (How could we put a price on that.)

It is wonderful to be involved in prayer outreach where earth shattering changes are possible, even to changing the country or even the world. The scripture regarding this is covered by Romans chapter 8 v 21: BECAUSE THE CREATION ITSELF ALSO WILL BE DELIVERED FROM THE BONDAGE OF CORRUPTION INTO THE GLORIOUS LIBERTY OF THE CHILDREN OF GOD. FOR WE KNOW THAT THE WHOLE CREATION GROANS AND LABOURS WITH BIRTH PANGS TOGETHER UNTIL NOW.

Come on, the whole created world and even more is waiting for our input and intervention. Go to Daddy God and find your place in His magnificent plan.

How many believers really know what their gifting or ministry is? Why not find out and begin to dream yours. I can promise you that you will be amazed at His plans for you. It will be more than you could begin to ask or even think.

Have you ever watched a queue for lottery tickets in a shop, or found a high street without a betting shop? That seems to be the best the world can dream for - or a drug induced experience.

There was a man sheltering from the rain and I put the question to him if he could ask God for anything what would he ask for. He told me I was stupid, ridiculous and mad. So I went and stood outside the shelter in the rain and commanded the rain to stop in Jesus' name. When I showed him that Jesus had stopped the rain he carried on shouting about me being mad. BUT THE RAIN HAD STOPPED!.

In reply to my question what would he like if he could have anything at all, he replied he would like a million pounds. I said if God gave him a million pounds he would probably kill himself with drugs. His friend said that was true. So sad. He saw the evidence of the rain stopping and walked away having an argument with himself. But his friend who heard and saw it all gave his heart to Jesus. Glory to God!

One day I told a young student from the incredibly expensive Kings School in Rochester who had invited Jesus into his life, how he could ask Holy Spirit to help him when doing his exams. Some weeks later I saw him again and he told me quite excitedly that he had been having awful trouble with his exams and then he remembered what I had said. So he asked Holy Spirit to help him and He got him through them. Bless God.

My son John gave his heart to Jesus at the age of 16 and I told him he can now ask for anything in Jesus' name. His response was Ok I'll have a leather jacket then. I told him it wasn't about leather jackets but he reminded me that I had said 'anything'. Three days later he had his leather jacket. God is so gracious.

We have a missionary friend who in Canada asked the Lord for a particular kind of car. She imagined it, prayed for it and waited. Other cars became available but she was waiting for the one she had asked the Lord for. She had to ride a bike for 2 years but she eventually got the one she had asked for.

Part of the armour of God is the helmet of salvation to guard and protect our heads and what's going on inside it. We are in a battle but we wouldn't want to fight it with guns or knives - we fight the battle with our prayers in spiritual warfare and how we speak. In Ephesians chapter 6 v 12 it says FOR WE DO NOT WRESTLE AGAINST FLESH AND BLOOD BUT AGAINST PRINCIPALITIES AND POWERS, THE RULERS OF THE DARKNESS OF THIS AGE AGAINST SPIRITUAL HOSTS OF WICKEDNESS IN THE HEAVENLY PLACES.

Our Lord Jesus gave us the victory by going to the cross and overcoming death. Now we have to police it. Read about it and get it settled in your mind and spirit and then dream it, think it and speak it out.

Try and keep control of your own mind, don't let it wander, keep to the job in hand and see the victory.

SEE IT, DREAM IT, SPEAK IT AND REJOICE IN IT TO THE GLORY OF GOD!!

CHAPTER 4

STEADFASTNESS

Why are many Christians not moving in all the fullness of this? It is, after all, very evident in God's word. So do we always get it right? No. We are nearly all the same, working at it and failing. So we have to work at it, get going again and try some more.

My friend Bob (who is now with the Lord) is one of the few who got it right sometimes. He went to the doctor who told him, after testing, that he'd got high blood pressure. Bob's response was that he hadn't in Jesus' name and asked the doctor to take it again. So the doctor did this and - his blood pressure was normal! Just believing it and speaking it did the trick.

We must always hear what the Holy Spirit is saying and not give in to the circumstance.

Another friend, also called Bob, had a heart attack in the church and died. Being a believing church, they prayed for an hour for Bob to come back to life - and he did! But, to their surprise, he was annoyed because he had been in heaven and didn't want to come back here. When he died again 6 months later they didn't dare pray him back again!

So, what can we have? Anything. When we design a garden or plan an event like a wedding, make a boat, etc, we put our creative minds to it and it's all so available, especially having our God endorsing it.

Of course, the best place to be is in His perfect will. When I want to talk about what car, it's not so easy to get His attention but when it's about people's salvation, the answer seems immediate and is always Yes. Although I do remember once in Gambia the Holy Spirit told me not to eat 'those peanuts'. Now that's a pretty small thing, but if He sees fit to warn me then I have to take notice.

2 Corinthians chapter 10 v 5 says: BRINGING EVERY THOUGHT INTO CAPTIVITY TO THE OBEDIENCE OF CHRIST. If only we could stay in that place of having a sanctified imagination.

Does anyone get it perfectly right all the time? No. At least I don't know anyone who does, but we all must keep trying. We are a supernatural people and we have to keep striving to get into that mode. Being supernatural is being in God's will, believing it, thinking it and speaking it.

If the Holy Spirit tells you something, He has done it for a reason, so if human voices shout louder denying it, always listen to the still small voice. I learned that lesson some years ago when I asked a young lady a question that I thought I knew the answer to. She denied it in a very loud voice which drowned out the Holy Spirit's voice. I should have listened to the still small voice because I found out a few weeks later what the Holy Spirit had said was true.

Sometimes we are content to reason things out. Don't be fooled by reason. Reason doesn't have the Lord of Glory hanging on a terrible cross or have His blood wash away our sin. The gospel is not reasonable so please don't try that route.

Stick with Dad's best, listen, dream it, then speak it into being.

2 Corinthians chapter 4 v 18 WE DO NOT LOOK AT THE THINGS THAT ARE SEEN BUT AT THE THINGS THAT ARE NOT SEEN. FOR THE THINGS WHICH ARE SEEN ARE TEMPORARY, BUT THE THINGS WHICH ARE NOT SEEN ARE ETERNAL.

The kingdom is here already and it is eternal and God requires us to be in His kingdom business. How are we to do that? Only out of our dreams, backed by His holy word.

It's a great thing to provide for the homeless, the hungry, the sick and the impoverished, but it's no good if they end up in a Christ-less eternity. God has provided the way of escape from hell at a huge cost. Let's use our supernatural sonship to bring them to salvation. How? By hearing it, dreaming it and speaking it.

We all dream, sometimes we remember what we dreamed and sometimes we don't. We can't choose what we dream but we can ask Daddy God to give us His dreams, rather than waste our dreams on petty nonsense or

generally non-God foolishness. Dream His dreams and make the best of the best come to fruition.

Matthew chapter 18 v 18: ASSUREDLY I SAY TO YOU WHATEVER YOU BIND ON EARTH WILL BE BOUND IN HEAVEN AND WHATEVER YOU LOOSE ON EARTH WILL BE LOOSED IN HEAVEN. AGAIN I SAY TO YOU IF TWO OF YOU AGREE ON EARTH CONCERNING ANYTHING THAT THEY ASK, IT WILL BE DONE FOR THEM BY MY FATHER IN HEAVEN.

Be very careful of the occultist, the witch in your church - the one who seeks to control. Find the relationships with others that God wants for us personally and agree, and see your dreams come true.

This booklet is not the definitive answer to making your dreams come true but do continue to learn on a regular basis. Like us, you will probably learn more from your mistakes.

Many Christians are trying outreach by treasure hunting, finding the people the Holy Spirit has shown them and praying for them for their needs whether that be healing, salvation or both.

Get involved and dream your harvest of souls and may you be abundantly blessed as Father God inspires your dreams and you make them come true.

CHAPTER 6

WHAT GOES IN

MATTHEW 15 V 17 says DO YOU NOT YET UNDERSTAND THAT WHATEVER ENTERS THE MOUTH GOES INTO THE STOMACH AND IS ELIMINATED? BUT THOSE THINGS WHICH PROCEED OUT OF THE MOUTH COME FROM THE HEART AND THEY DEFILE A MAN. FOR OUT OF THE HEART PROCEEDS EVIL THOUGHTS - MURDERS, ADULTERY, FORNICATION, THEFTS, FALSE WITNESS, BLASPHEMY, ETC. THESE ARE THE THINGS WHICH DEFILE A MAN.

Once while evangelising in Leicester Square, I asked a man why, every time he spoke, scripture came out of his mouth. His reply was if you keep taking it in all the time, it's just got to come out.

Smith Wigglesworth wouldn't even read a newspaper, he would only read the Bible, so what went in is what came out miracles, healings, raising the dead, etc.

I once met a very strict, dogmatic preacher on the street who asked me if I had a TV in my home. I told him I had one and he replied "How can you have a channel bringing filth into your home?" We do have to be very strict on what programmes we allow into our homes. The battle is for our minds, just listen to how people talk, even Christians as well, sadly. From the heart (the mind) all kinds of bad stuff comes out. How are our dreams ever going to come to fruition if we stay doing it the worldly way, how we did before we were saved.

Philippians Chapter 4 v 8 says FINALLY BROTHERS, WHATEVER THINGS ARE TRUE, WHATEVER THINGS ARE NOBLE, WHATEVER THINGS ARE JUST, WHATEVER THINGS ARE PURE, WHATEVER THINGS ARE LOVELY, WHATEVER THINGS ARE OF GOOD REPORT, IF THERE IS ANY VIRTUE AND IF THERE IS ANYTHING PRAISEWORTHY, MEDITATE ON THESE THINGS.

I find that when the devil tempts me into wrong thoughts, and that's quite frequent, my answer is to pray in tongues. As soon as we begin to use our heavenly prayer language, we are immediately in God's throne room - and the devil is not allowed in there.

So the trick is to stay in Philippians 4 v 8 and go on to James Chapter 1 vs 2,3,4: COUNT IT ALL JOY WHEN YOU FALL INTO VARIOUS TRIALS KNOWING THAT THE TESTING OF YOUR FAITH PRODUCES PATIENCE. BUT LET PATIENCE HAVE ITS PERFECT WORK THAT YOU MAY BE PERFECT AND COMPLETE, LACKING NOTHING.

There we are, lacking nothing means everything is available, all things are ours. 1 Corinthians Chapter 3 v 21-23:ALL THINGS ARE YOURS: WHETHER PAUL OR APOLLOS OR CEPHAS, OR THE WORLD OR LIFE OR DEATH, OR THINGS PRESENT OR THINGS TO COME - ALL ARE YOURS. There is no shortage in heaven, there are no negatives, it's all so available.

Then we hear Christians talking about nothing but their problems and how life is so hard and so difficult. Sadly, all too often we see Christians who have prayed and followed the right road to receiving but seem unable to get hold of that elusive answer to their prayers.

I remember a Pastor's wife in Toronto who got around on two walking sticks. We were at a healing convention and I asked her if she was going to go up for prayer. She said she wasn't because there was a huge queue and she'd been prayed for dozens of times before. On the way out of the hotel, she let go of the Pastor's arm and fell over. A man came over and helped pick her up. "Can I pray for you?" he asked? "If you think it'll do any good" she replied. He prayed and literally disappeared. A few days later I met her again and she was walking normally. It wasn't her faith that enabled her to receive her healing, it must have been Almighty God who gave her the miracle she had needed for so long.

It's all there for each one of us, so available - the word of God says it over and over again. So, why have I not received my healing, and why hasn't my wife received hers? I cannot give an answer to this question and I'm sure there are very many Christians around who are still waiting for their healing.

When I was in Gambia I prayed for 6 barren ladies - and they all had the joy of having a baby within a year. In Aruba we prayed for a girl called Miluska who had a withered arm from birth - and she was totally healed. Then

there was the lady in Women's Aglow who had her kidney restored 100%. We didn't have the faith for these healings but we stepped out of our comfort zone to pray for them. It was done in the name of Jesus Christ and by the power of the Holy Spirit.

We do have to be careful and aware of the devil intervening in our lives. We had a friend who had been unemployed for a long time. He was dreaming of a well-paid job but he had plenty of spare time on his hands, so he came out with our team learning fruitful evangelism. In no time he had been involved in some amazing salvations and he was thrilled. This meant the devil was not so concerned about keeping him poor any more, but about stopping the evangelism. The result was he got an incredible job working 60 hours a week and there was no time for evangelism.

All I can do is encourage you to keep your faith going forward, guard your lips from saying anything negative, and endeavour to live out the new life of health and wholeness as demonstrated by our Lord Jesus Christ. Speak out your healing and believe you have received it. Don't give up and let the devil in, keep on with your good confession and stay connected with exactly what God says.

Our Daddy God wants His children to learn the family business which is God & Sons Unlimited, because there's absolutely no limit to what you can pray for or what you can do. We have to change our worldly thinking into heavenly thinking and that is really the only way to make our God-inspired dreams come true. Keep on keeping on and may Almighty God give us all the huge joy of answered prayer.

CHAPTER 5

PUTTING IT INTO PRACTICE

When talking to many unbelievers it is so sad to hear the bitterness which comes from unforgiveness or the hopelessness which comes from faithlessness. It is often apparent when people carry hurts from abuse, fear and even curses that come down the generations not even known about. It is possible to see it in their faces and in their demeanour, their body language and of course their confession.

The answer for all of this is having our Lord Jesus dealing with it through prayer and having His gentle touch changing us little by little over time. He is, after all, the great healer.

But all of that doesn't happen in an instant; it's a way of life, a conscious decision to live the Kingdom way, to work it out for ourselves the Jesus way. We need to follow His directions and live close to Him all the time. That's not arduous, it's the worry-free way to be just depending on Him and the Holy Spirit for guidance.

It has been proven scientifically that bad thoughts, leading to bad confession, can make us sick, or sick and tired. Spike Milligan described the blackness of total negativism leading to depression as the pit of hell. (Actually the real hell is far, far worse.). On the other hand, we know that talking positively and lovingly to plants makes them grow well. It's the same with nurturing animals (but not wild ones!).

Psalm chapter 1 v 2-3: AND IN HIS LAW HE MEDITATES DAY AND NIGHT. HE SHALL BE LIKE A TREE PLANTED BY THE RIVERS OF WATER, THAT BRINGS FORTH ITS FRUIT IN ITS SEASON, WHOSE LEAF ALSO SHALL NOT WITHER; AND WHATEVER HE DOES SHALL PROSPER.

That is the place to stay. Try not to be diverted by a wandering mind; don't let the enemy steal your thinking or concentration.

Galatians chapter 5 v 22 says: BUT THE FRUIT OF THE SPIRIT IS LOVE, JOY, PEACE, LONGSUFFERING, KINDNESS, GOODNESS, FAITHFULNESS, GENTLENESS AND SELF-CONTROL. Your thinking day-dreaming is making it come true for you so work at it in your thoughts. But we must align all of this with God's word. We mustn't try to make the word fit in with our own preconceptions but be ready to revise our dream to meet God's best requirement.

As we work at this, there will soon be an awareness of these things not following the ways of this mad, evil world but a new wonderful way, walking in the path of the Holy Spirit. His guidance is paramount.

CHAPTER 6

HOW TO DO IT

If we go on line to look up “how to make your dreams come true”, there are lots of sites telling how to work it out the non-God way and it can be done, but beware those routes as we have said before.

Yet these sites do it in a similar way and we can learn from them. For example they would say ‘write down what you want to achieve and work at it piecemeal, nibble a little bit at a time’. That advice is good for it is possible to choke on too big a bite.

And they would say revamp and change that which can’t be done. Yet in this kingdom place we have not to be concerned with ‘can’t be done’, particularly where our amazing God is involved. The answer is always Yea and amen in our Lord Jesus Christ. (2 Cor. 1.v 20).

John Chapter 6 v 63 says IT IS THE SPIRIT WHO GIVES LIFE; THE FLESH PROFITS NOTHING, THE WORDS THAT I SPEAK TO YOU ARE SPIRIT AND THEY ARE LIFE.

Keep strictly to God’s way, His word, His best is all there waiting for you.

Hebrews 11: BY FAITH WE UNDERSTAND THAT THE WORLDS WERE FORMED BY THE WORD OF GOD SO THAT THE THINGS WHICH ARE SEEN WERE NOT MADE OF THINGS WHICH ARE VISIBLE

Ask God to cleanse you from all the negatives. In prayer, repent of all the doubts and unbelief. If needed, repent of trying to work it out the world’s way or your own selfish way.

Some friends of mine were unable to have children. They were prayed for and they then believed that she can conceive. So they went out in faith and bought a cot, a pram, baby clothes - and as I had a shop, they asked me for maternity dresses. I thought they were crazy, and told them so. But wasn’t it wonderful that their faith meant they now talked it and also got the things they were going to need.

The outcome was she had twins and now there are 4 children in that family—this is the perfect example of how it works - faith!

What we are showing here is not a fantasy or some silly daydream. What we are dealing with is the God power to speak and create the whole universe. The same awesome latent power in you if the Holy Spirit is filling you.

Get this stuff into your being and stay with it, run with it, let Daddy God lead you into all of His work.

Isaiah Chapter 55 v 11: SO SHALL MY WORD THAT GOES FORTH FROM MY MOUTH. IT SHALL NOT RETURN TO ME VOID. BUT IT SHALL ACCOMPLISH WHAT I PLEASE. AND IT SHALL PROSPER IN THE THING FOR WHICH I SENT IT.

The only one who can prevent this God-inspired, God-breathed creativity from working in my life is me. I am the problem all the time. Learn to stay in the Word (Jesus is the Word). John Chapter 1 verse 1; LEARN TO REST IN HIM, LEARN TO RELAX INTO HIS PROMISES, HIS GUARANTEES. It’s not actually hard at all because He does it - we only need to trust and believe from a settled faith down in our spirit.

The words “that won’t work” are not in our vocabulary. “You can’t have that” doesn’t apply to us. “Not possible” has no meaning. Just ask and it’s in the bag. Look for it and you will find. Knock on the door and it’s got to open - Jesus said so. May you be abundantly blessed as God works out your dreams for you, even more than you can ask or even think. We have been in that place of super abundance so many times - beyond your wildest dreams.

All glory to our mighty Father God, amen.

CHAPTER 7

GOD'S GOT A PLAN

We need to find our place in Almighty God's amazing, triumphal, glorious, beautiful plan. It is for each one of us to discover the brilliant, exciting spiritual adventure that God has in store for each one of us.

In our own case it has been world evangelism, an incredible adventure. It is such a privilege to see people saved, healed and led into their place in Almighty God's strategy. Not only was this our adventure but also teaching others and showing them how to discover theirs too.

The kingdom of God is here on this earth right now. It's been given by our Lord Jesus going to the cross. It's a limitless kingdom, it's a free, generous place of more than you could possibly hope for.

Why do so few get it? Because we are tied into worldly negative thinking, talking and doing instead of getting into God's mind, into His word, what He says and how He calls it.

See it in your mind's eye. What a good expression that is Create it with your mind's eye or your spiritual eye. Learn to use the Holy Spirit's amazing gifts to see beyond this realm into the future and into Dad's vast plan. The recent moves of the Holy Spirit in the church are usually visions and inspired words of encouragement.

Pastor Yonggi Cho's books "The Fourth Dimension" and "Dream your way to Success" show how this man founded the biggest church in the world with over 100 thousand members - and when he started out he was so poor he had no furniture in his house.

It all starts with becoming a son of God by having Jesus live in our hearts, having Him wash away all of our sin by His blood. It continues by talking and listening to God in prayer and having Him show us how to get into His perfect will.

That for us has taken us all over the world spreading the gospel message. Whenever I ask the Lord if I can go to a certain place, I always get the same answer "I said go into all the world". He always provides the finances, the accommodation, everything. That's His plan for us, so we just stay in it.

Then, out on the mission field, miracles of healing flow, visions for people, breaking them free from occultish things, etc. We have had queues of 100 or more waiting to be prayed for in a village or a town.

We have been in 3 revival situations in Africa at different times and then returning a few years later, the place is so changed for the better.

That was for our ministry (Resurrection Life) and you can find your own and learn how to envision it into being, how to make it come into reality by dreaming it into existence God's marvellous way.

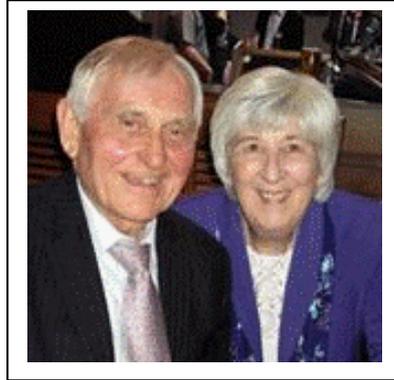

Be the Son of God you're meant to be and fulfil your destiny in exactly the way the Holy Spirit leads you.
